## 1. Introduction

Welcome to the AI Coding Sports Team Management System! This platform helps sports organizations manage teams, games, schedules, and player availability with advanced features and multi-language support.

---

## 2. Getting Started

### Registration

- Click **Register** on the login page.
- Fill in your name, email, and password.
- Confirm your email if required ([Screenshot: Registration Form]).

## Logging In

- Enter your email and password on the login page.
- If you forget your password, use the **Forgot Password** link.

## Language Selection

- Use the language selector in the top-right to switch between English, French, and Spanish at any time ([Screenshot: Language Selector]).
- 

## 3. User Roles & Permissions

- **Admin:** Full access to all features, including user management and system settings.
  - **Team Manager:** Can create/manage teams, invite players, schedule games.
  - **Player:** Can view teams, respond to invitations, set availability.
  - **Guest:** Limited access, can view public pages and register.
- 

## 4. Page-by-Page Guide

### Home Page

- Overview of the platform and quick links to main features.
- [Screenshot: Home Page]

### Dashboard

- Personalized summary of your teams, upcoming games, and notifications.
- [Screenshot: Dashboard]

### Teams Page

- **Team Manager/Admin:** Create new teams, edit team info, delete teams.
- **Player:** View teams you belong to.
- [Screenshot: Teams List]

### Creating a Team

- Click **Create Team**.
- Enter team name and description.
- [Screenshot: Create Team Dialog]

### Team Details Page

- View team roster, upcoming games, and statistics.
- **Manager/Admin:** Add/remove members, edit team info, send invitations.
- [Screenshot: Team Details]

### Advanced Scheduling

- Four tabs: Recurring Patterns, Player Availability, Smart Scheduling, Team Availability.

- **Recurring Patterns:** Set up repeating game schedules.
- **Player Availability:** Players set their availability for games.
- **Smart Scheduling:** Find optimal game times based on team availability.
- **Team Availability:** View overall team availability and stats.
- [Screenshot: Advanced Scheduling Tabs]

### Using the Date Picker

- Date pickers are locale-aware and will match your selected language.
- [Screenshot: Date Picker in French]

### Game Series & Games

- View, create, and manage game series and individual games.
- [Screenshot: Game Series List]

### Invitations

- **Manager/Admin:** Send invitations to players to join teams.
- **Player:** Accept or decline invitations from the Invitations page or email link.
- [Screenshot: Invitations List]

### Profile & Account

- Update your profile, upload a profile picture, change password, or delete your account.
- [Screenshot: Profile Page]

### Admin Dashboard

- **Admin only:** Manage all users, teams, and system settings.
- [Screenshot: Admin Dashboard]

---

## 5. Accessibility & Localization

- All pages are designed for keyboard navigation and screen readers.
- The app supports English, French, and Spanish. All date and time formats are locale-aware.
- [Screenshot: Accessibility Features]

---

## 6. Tips & Troubleshooting

- If you have trouble logging in, use the password reset feature.
- For best experience, use a modern browser (Chrome, Firefox, Edge, Safari).
- If you encounter issues, try refreshing the page or clearing your browser cache.
- For accessibility help, use the "Accessibility" link in the footer.

---

## 7. Support & Feedback

- For support, contact your team manager or the system admin.
- To report bugs or suggest features, use the **Feedback** link in the app or email

support@example.com.
